

ECO-RINSE™

BY FIREREIN

Eco-Rinse™

- Eco-Rinse™ is an environmentally benign rinse aid designed to flush equipment and vessels used to deploy Eco-Gel™
- Eco-Rinse™ allows end users to quickly and effectively clean proportioning equipment, pumps and nozzles.
- Flushes old gel and foam concentrates from proportioning systems when transitioning to Eco-Gel™
- Keeps pumps, valves, eductors and proportioning systems clean and free of contamination
